## Valen Campaign

*A D&D (3.5 Edition) campaign, played on an adhoc basis started in November 2007. Game is run by Paul with 4 players : Daniel, Helen, Ingrid and Tim. The characters are all non Evil, goals yet unclear but likely to include overthrow of necromantic empire, restitution of the Elven empire and some fun along the way.*

### Latest news

In game [our intrepid heroes were attacked by a necromancers ship, been shipwrecked and taken on a band of goblin poachers. A journey into the Valen Massif beckons but first must stock up on food for the hobbit](#)

Out of Character - check out the website. Character sheets attached to [heroes](#) page but please update your character backgrounds.

Maps have now been moved to [Places](#) except for Goblin Map which is attached to [Heroes Diary](#).
